

Prince William County Virginia | Pi Lambda Lambda (PLL) | Third District – On March 1, 2024. The Omega U Mentoring Program with the assistance of Bro. Conrado B. Morgan took a tour at the Pentagon.

The Pentagon, one of the world's largest office buildings, is the headquarters of the Department of Defense. Located in the Washington, D.C., area, the five-sided building has three times the floor space of the Empire State Building. Each year, about 100,000 visitors explore displays and memorials in the Pentagon's halls with the help of tour guides, all of whom are active U.S. military service members.

Omega U Chairman Bro. Aaron Works, Basileus Bro. Charles Hunter, and US Secretary of Defense Lloyd Austin took time to speak to the students.

“The real differentiator is a sponsor or mentor who’s selling your story or singing your song when you’re not in that room and I think that makes a big difference.”

~Lloyd Yates~

During our tour we had the pleasure of meeting US Secretary of Defense Lloyd Austin. He spoke to Omega U students, to keep striving to attain their goals in life.

Memorials and historical exhibits and displays located inside the Pentagon can only be viewed by members of the public on an official Pentagon tour or accompanied by an approved escort

Outside the Pentagon the landscaped 1.93-acre site contains 184 inscribed Memorial units honoring the 125 individuals who perished inside the Pentagon and the 58 individuals who died on board American Airlines Flight 77 on 911.
